

**WESTERN ASSOCIATION GOSSIP.**

It may not be classic, but it is breezy, and from the Houston Post: "Eddie Karger demonstrated to the satisfaction of everybody that he is the real jammy goods as a finger of the horsehide. He let McAlister's Mutt down yesterday with three widely separated singles, but nevertheless the Mutt rammed the keen harpoon into Harlow's hands, the score being 1 to 0. Karger is responsible for the one run scored during the matinee. Cook opened the pot in the first round with a cloudbuster that fell into Joe Briskey's doughnut hooks like a rock in a well. Koeher, the next gun to start up at the pan, worked Karger for a pass. Jones hit a vicious bouncer into Pat Newman and was strangled at first. Koeher, who is second on the play, Karger let Koeher take too much of a lead off second and he paroled the third corner. It was up to Harry Howell, one of the greatest 'split ball' artists in the country, but not generally credited with being a great bludgeon wielder. Howell came to the occasion and smashed a wicked grounder over third and Koeher cleared over the finish mark with the only tally of the melee."

Just about Gus Alberts, Manager Gus Alberts, of Bartlesville, has released Sturges and Moses Crow. They played in the outfield Sunday. The work has not been strong enough to justify their retention.

A new wrinkle in the Quieser situation. From the Leavenworth Times. According to the latest official bulletin of Secretary J. E. Farrell of the national commission of minor league baseball clubs, in whose hands all matters of baseball controversy are left for decision. Pitcher Walter Quieser is the property of the Leavenworth club, having been secured by purchase from Indianapolis. This means that Quieser must come here from Wichita, and that he will be a member of the local staff unless by some means the decision of Secretary Farrell is reversed. The bulletin, a printed copy of which was received yesterday in a letter from Farrell, contains under the head of "released

## MARCH TO THE SEA.

Father Sherman Starts on Trip Over His Father's Route.

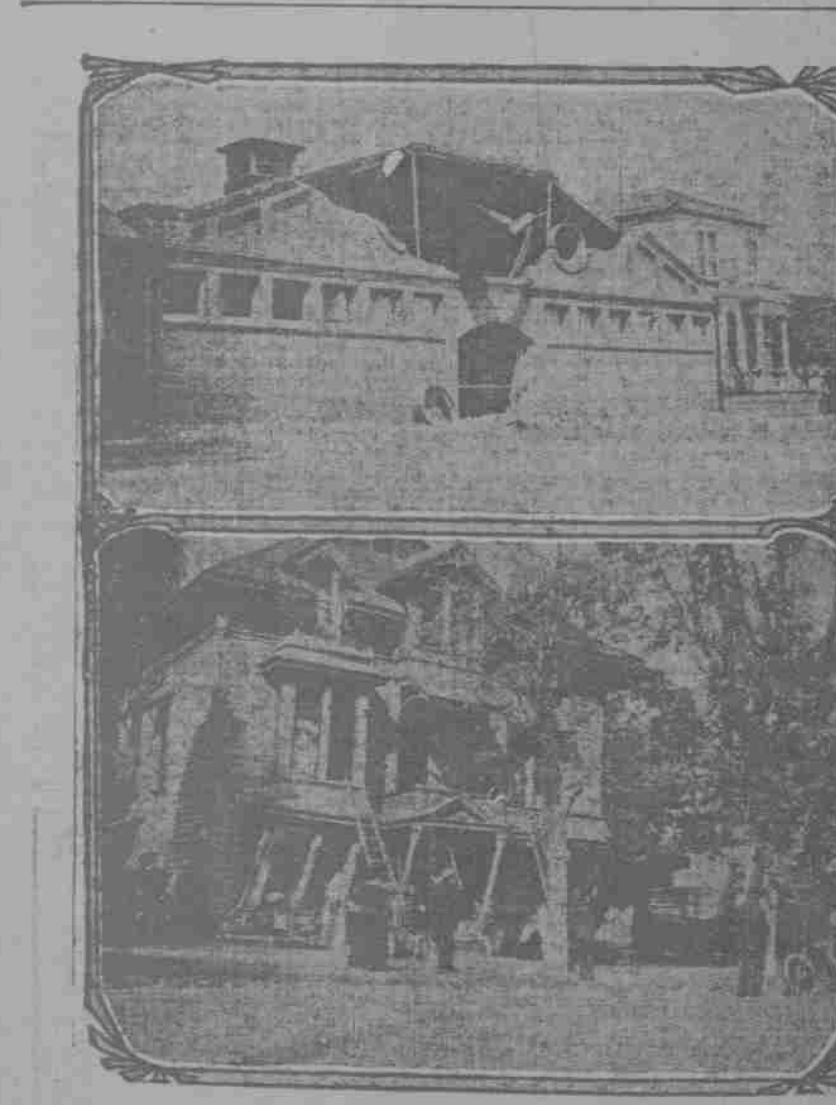

Chattanooga, Tenn., April 29.—The Rev. Father Thomas Sherman, a son of General W. T. Sherman, a priest in the Catholic church, started today for Fort Oglethorpe, accompanied by a detail of the Twelfth cavalry, to follow the route of his father's famous march to the sea. The cavalry will accompany him as far as Atlanta and at Fort McPherson another detail will be assigned to conduct him to the sea.

## HAS TWO WIVES.

Old Soldier Fails to Secure Divorce From First One.

Kansas City, Kan., April 29.—Elijah G. W. Ebert, a carpenter living at Fifth and State streets, Kansas City, Kan., was denied a divorce in the district court of Wyandotte county. The peculiar circumstances in the divorce case attracted considerable attention in the newspapers several months ago. Ebert was a union soldier in the civil war. When he returned home he was told that his wife was dead and he married another woman. Later it developed that his first wife was not dead and he found himself in the embarrassing position of having two wives.

He has repeatedly tried to secure a divorce from his first wife but has been unsuccessful in each case. His first wife lives in Ohio. He has in all six grown children, four by his first wife and two by his second. A son by his first wife works in Peck's dry goods store in Kansas City, Mo., and a son

**HAVOC WROUGHT BY THE EARTHQUAKE.**  
The pictures give an excellent idea of the work of the earthquake in California. In one cut is shown a lodging house crushed like an eggshell. A wrecked oil storage warehouse is shown in the other picture.
